Which Family First Study are you commenting on?

Understanding One Another

Resolving Conflict

The Four Pillars of an Amazing Marriage

Please tell us about your experience with this study, either as a leader or participant.

Did you make any important discoveries about your husband, wife, or child during this study? What were they?

How effective was the format of the study? (Segments of *Marriage Uncensored with Dave and Christie*, with questions interspersed.)

What topics would you like addressed in future studies?

Please note that all information gathered is for internal purposes only. Thanks for your feedback!
